

Introduction of Terms of Use

Welcome to BidType.com! These Terms of Use, established by Snáithe AB, govern your use of the BidType.com website and mobile applications (referred to as the "Website") and the services provided by Snáithe AB. BidType.com is both owned and operated by Snáithe AB, with organization number: SE559439810801.

By using the Website and Services, you signify your acceptance of these Terms of Use and commit to abide by them. If you do not agree with these terms, please refrain from using BidType.com. It's important to note that BidType.com operates under the umbrella of its parent company, Snáithe AB.

Language Versions:

These Terms of Use are available in multiple languages. In case of any discrepancies between these language versions, the English version will prevail. Moreover, the laws and regulations of the country in which the website operates will apply to any issues that may arise between the company and customers, whether concerning customers or the company itself. Country-specific rules and regulations will be enforced.

Age Requirements:

To access and use the Services on BidType.com, you must meet specific age criteria. You must be at least 16 years old. If you are below 18 years of age, you have three options:

1. Obtain Parental Consent: You can use the Services with your parent or legal guardian's consent.
2. Self-Earned Funds: Alternatively, you may use the Services exclusively to purchase goods or services using funds you have earned independently.
3. Self-Sold Goods: You can also use the Services to sell items you have acquired with self-earned funds.

Please note that when using the Services on Bid Type, you must be at least 18 years old. BidType.com retains the right to deny access to individuals or businesses that have previously violated these Terms of Use, breached prior agreements with BidType.com, or violated applicable laws and regulations.

If you register a company account, you confirm that you have the authority to bind your company to these Terms of Use, and you have accepted the rules, regulations, and terms and conditions provided by Bid Type's parent company, Snáithe AB.

Creation of User Account:

To access our Services, you must create a personal user account on BidType.com, known as a "User Account." Your User Account is your responsibility, and you are solely accountable for all activities conducted through it. In certain cases, we may require account verification using Bank ID or other available methods on our website.

BidType.com has the authority to block or terminate users who misuse or violate the Terms of Use. Posting content containing obscenity, explicit language, pornography, sex-related material, terrorism, threats, intimidation, or any other inappropriate content is strictly prohibited and may result in legal action.

Advertising on BidType.com:

To place advertisements on BidType.com, strict adherence to our advertising guidelines is mandatory. This includes complying with the formatting and categorization standards for ads. Bid Type reserves the right to decline or remove advertisements that do not conform to these regulations. Users will be informed whether an advertisement is posted by an individual or a company, impacting consumer protection laws.

Companies are not permitted to advertise as individuals, and BidType.com will determine when an advertisement is considered commercial.

Ranking of Ads:

Our main goal is to provide you with relevant search results when using BidType.com to search for goods or services. We may use personalized recommendations based on your browsing history to present ads aligned with your interests. Ads can be sorted in various ways, including Best Match, Newest, Oldest, Cheapest, and Most Expensive, based on categories and user search queries.

Terms and Conditions, provided by Big Type Company and its parent company, Snáithe AB, aim to safeguard our company and brand from association with unlawful activities. It's important to understand that we will not assume responsibility if you engage in illegal activities within your advertisement, such as content related to pornography, terrorism, child abuse, criminal actions, or the use of code words associated with illicit activities.

Any violations will be dealt with severely, and legal action will be initiated in accordance with the laws of your country. We strongly urge caution before posting such content, especially when it involves the sale of vehicles or auctions.

Publication Period for Ads:

An advertisement is considered published once approved and available on our website. To maintain platform relevance, ads are automatically removed after 45 days. Different rules apply to location-based advertising on BidType.com.

Review and Control of Ads and Users:

BidType.com has the authority to review and remove ads violating our Terms of Use, infringing on third-party copyrights, or breaking pertinent legislation. Periodic user checks, including identity verification, may be conducted, and failure to cooperate may lead to account suspension.

BidType.com Web Portal Platform:

Engaging in transactions related to stolen vehicles or illicit activities, including auctions, is strictly prohibited on BidType.com. Violations will result in legal action, with law enforcement promptly notified.

Our company and platform will not assume responsibility for these activities. Buyers and sellers share joint responsibility, and our platform is entirely exempt from liability to protect its integrity and uphold legal standards.

Before purchasing or bidding on vehicles within our platform, we recommend verifying vehicle registration numbers with local law enforcement authorities.

Transactions Between Individuals:

Consumer protection laws typically do not cover transactions between individuals. Buyers may not have the right to withdraw, exchange, or demand open purchases. However, BidType.com offers transactional services for added security, including Secure Payment Shipping and Buy Now, enabling secure payments through Swish. Refer to our separately published regulations for detailed information.

Payment Gateway:

Our payment gateway partners are among the largest globally. Refer to their regulations as needed. Nets is part of the Nexi Group - the European PayTech.

We provide secure payment solutions for individuals, businesses, and financial institutions.

Ad Prices:

When both private customers and business clients opt to showcase their advertisements on our platform, Snáithe will levy a nominal advertising fee, officially designating them as sellers.

Our payment process operates with utmost efficiency, facilitated through a secure and reliable payment gateway.

For sellers representing companies or business customers holding an official agreement with Bid Type's parent company, Snáithe AB, there exists the convenient option to generate automated invoices, promptly delivered via email.

The pricing details for advertisements can be accessed via our website's price list. Ads are published for a duration of 45 days. After this period, they are automatically removed from the platform. To continue advertising, you may either choose to upgrade or create a new ad, with charges in accordance with the prices listed on our website.

Commission Percentage:

When private and business customers choose to list their ads on our platform, Snáithe will charge a nominal ad fee, and they will be recognized as sellers.

Our payment process is efficiently managed through a secure payment gateway.

For sellers representing companies or business customers with an official agreement from Bid Type's parent company, Snáithe AB, the option is available to generate an automated invoice, conveniently delivered via email.

In the context of vehicle auctions on our platform, both private customers and business customers will encounter a modest commission fee. The seller bears responsibility for a 1% commission on the final selling price of the vehicle, while the buyer also contributes a 1% commission fee. Bid Type's parent company, Snáithe AB, ensures the prompt dispatch of an invoice for this 1% fee to the seller. It's important to note that this 1% fee, calculated based on the purchase or selling price, is applicable to both buyers and sellers. This transparent commission structure is consistently applied to both private customers and business customers who choose to list their vehicles on our platform.

Viewing and Examination Responsibilities Before the Auction:

Both the seller and the buyer share responsibilities in both scenarios. The seller must have a clear understanding of what they are selling and their associated responsibilities. The first step is a thorough examination of the items. Subsequently, both parties must maintain open communication. The seller is obligated to provide the buyer with comprehensive information about the vehicle. After examination, the buyer can decide whether to purchase it or make an offer for its sale. In these two agreements, the price is mutually agreed upon, and Bid Type's parent company, Snáithe AB, bears no responsibility. We solely charge a commission from the seller and the buyer for using our platform, without any other liability.

Customers should inspect or have adequate knowledge and understanding to evaluate any vehicle type before bidding or upon receipt. Whether before bidding or after receiving the item, the buyer should conduct a thorough inspection and evaluation. Bid Type's parent company, Snáithe AB, assumes no responsibility for transport, transfer, or any involvement.

Both the seller and the buyer are independently responsible for their transactions. The company bears no liability, as it neither gains nor provides anything except the use of The Bid Type's parent company, the Snáithe AB platform. Users pay for placing ads on the platform, and the company receives a commission for successful transactions. Beyond this, the company holds no further responsibility.

Right of Cancellation or Withdrawal:

Bid Type's parent company, Snáithe AB, charges solely for advertising on our platform. In the case of auctions, we charge a 1 percent fee from both the seller and the buyer. Anyone who advertises on our platform incurs charges solely for the advertisement. We do not assume responsibility for anything beyond this scope.

Insurance:

We do not bear any responsibility for the insurance of vehicles, whether they are being sold or purchased by the seller and the buyer. Bid Type's parent company, Snáithe AB, is not liable for any type of vehicle insurance.

Personal Data:

Cookies: Bid Type's parent company, Snáithe AB, utilizes cookies on its website for various purposes, and users have the option to accept or reject them. The policy outlines the use of cookies on the website and provides information on how users can manage their cookie preferences.

Applicable Law and Dispute Resolution:

Disputes fall under the jurisdiction of the countries where buyers and sellers engage in trade and should ideally be resolved through negotiations. If necessary, disputes may be brought before the country's courts or the country's Consumer Disputes Board.

Acceptance of Terms and Conditions:

By accepting the terms and conditions, both sellers and buyers acknowledge engaging in voluntary transactions without external pressure. Each party willingly participates in buying or bidding on items of their choice, with subsequent interactions being their responsibility. Our company, Bid Type's parent company, Snáithe AB, holds no liability in such interactions.

These conditions are accepted freely and willingly by both parties, proceeding with full awareness and consent.
